

Syllabus for Board Mock and School Mock Examination for Classes 9 to 12 [Exam Date: August 10 - 11, 2024]

Class	Batch	Exam	Mode of Examination	All Boards			
				Physics	Chemistry	Biology	
12	Durjoy 2025 Avengers 2025 Fingertips 2025	Board Mock	Offline	Electric charges and Field, Electric potential and Capacitance, Current Electricity, Moving charges and magnetism, Magnetism and Matter	Solid State (WB Boards only), Solutions, Electrochemistry, Chemical Kinetics, Haloalkanes and Haloarenes, Alcohols Phenols and Ethers, d-f Block Elements, Coordination Compounds	Reproduction in Organism (WB Boards only), Sexual Reproduction in Flowering Plants, Principle of Inheritance and variation, Molecular Basis of Inheritance, Human Reproduction, Reproductive Health, Evolution	
11	Avengers 2026 Fingertips 2026 Durjoy 2026	School Mock	Offline	Units and Dimensions, Kinematics, Laws of Motion, Work Power Energy, System of Particles and Rotational Motion	Some Basic Concepts of Chemistry, Structure of Atoms, Periodic Properties and Classification of Elements, Chemical Bonding and Classification of Elements, Thermodynamics, Redox Reactions (CBSE and ISC)	The living Word, Biological Classifications, Plant Kingdom, Morphology of Flowering Plants, Animal Kingdom, Structure and Organization in Animals, Biomolecules, Breathing and Respiration	
Class	Batch	Exam	Mode of Examination	ICSE Board			
				Physics	Chemistry	Biology	Mathematics
10	Big Dreamers 1.0 (F-2027)	Board Mock	Offline	Force, Work-Power-Energy, Refraction, Spectrum, Electricity	Mole Concept and Stoichiometry, Periodic Properties, Chemical Bonding, Acids-Bases and Salts	Structure of Chromosome, Cell Cycle and Cell Division, Photosynthesis, Circulatory system, Transpiration, Absorption by ROOTs, Endocrine system	Commercial Mathematics, Algebra, Geometry
Class	Batch	Exam	Mode of Examination	CBSE Board			Mathematics
				Science			
10	Big Dreamers 1.0 (F-2027)	Board Mock	Offline	Reflection and Refraction of Light, Human Eye, Electricity	Chemical Reactions and Equations, Acids-bases and Salts, Metals and Non-Metals (Ionic and Covalent bond)	Life Process, Control and Coordination	Number System, Algebra, Geometry
Class	Batch	Exam	Mode of Examination	West Bengal Board			Mathematics
				Physical Science		Biology	
10	Big Dreamers 1.0 (F-2027)	Board Mock	Offline	Light, Human Eye, Electricity, Physical and Chemical Properties of Matter, Mole Concepts and Stoichiometry		Continuity of Life, Nitrogen Cycle, Control and Coordination in Living Organism	Arithmetic, Algebra, Geometry
Class	Batch	Exam	Mode of Examination	ICSE Board			
				Physics	Chemistry	Biology	Mathematics
9	Big Dreamers 3.0 (F-2028)	School Mock	Offline	Measurement and Experiment, Motion in 1D, Pressure and Upthrust, Floatation, Heat	Matter and its Composition, Study of Gas Laws, Elements, Compounds and Mixtures, The Language of Chemistry, Physical and Chemical Changes, Water	Cell, Tissue, Diversity in Living Organisms, Diseases	Real Numbers, Algebra, Coordinate Geometry, Geometry
Class	Batch	Exam	Mode of Examination	CBSE Board			Mathematics
				Science			
9	Big Dreamers 3.0 (F-2028)	School Mock	Offline	Motion, Force, and NLM, Floatation	Matter in our surroundings, Is Matter around us pure?	Cell, Tissue, Diversity in Living Organisms, Why do we fall ill?	Algebra, Real Number, Coordinate Geometry, Geometry
Class	Batch	Exam	Mode of Examination	West Bengal Board			Mathematics
				Physical Science		Biology	
9	Big Dreamers 3.0 (F-2028)	School Mock	Offline	Measurement, Motion, Force, and NLM, Floatation, Heat, Physical and Chemical Properties of Matter, Solutions, Water, Chemical reactions and chemical equations		Cell, Tissue, Animal Kingdom, Plant Kingdom, Biology in Human Wellare	Arithmetic, Algebra, Geometry, Coordinate Geometry
