

PrepMed Offline Board Mock - I				Syllabus					
Class	Board	Exam	Mode of Examination	Physics	Total Marks (Time)	Chemistry	Total Marks (Time)	Biology	Total Marks (Time)
12	CBSE	Board Mock	Offline	Electric Charges and Fields, Electrostatic Potential and Capacitance, Current Electricity	70 (3 hrs)	Solutions, Electrochemistry, Chemical Kinetics, Haloalkanes and Haloarenes	70 (3 hrs)	Sexual Reproduction in Flowering Plants, Principles of Inheritance and Variations, Human Reproduction, Reproductive Health, Evolution	70 (3 hrs)
	ISC	Board Mock	Offline	Electric Charges and Fields, Electrostatic Potential and Capacitance, Current Electricity	70 (3 hrs)	Solutions, Electrochemistry, Chemical Kinetics, Haloalkanes and Haloarenes	70 (3 hrs)	Sexual Reproduction in Flowering Plants, Principles of Inheritance and Variations, Human Reproduction, Reproductive Health, Evolution	70 (3 hrs)
	WBCHSE	Board Mock	Offline	Electric Charges and Fields, Electrostatic Potential and Capacitance, Current Electricity	35 (1 hrs 15 mins.)	Solutions, Haloalkanes and Haloarenes, Polymers Phenols, Biomolecules	35 (1 hrs 15 mins.)	Sexual Reproduction in Flowering Plants, Principles of Inheritance and Variations, Human Reproduction, Reproductive Health, Evolution	35 (1 hrs 15 mins.)
PrepMed Offline Board Mock - I				Syllabus					
Class	Board	Exam	Mode of Examination	Physics	Total Marks (Time)	Chemistry	Total Marks (Time)	Biology	Total Marks (Time)
11	CBSE	School Mock	Offline	Units and Measurement, Vector, Motion in 1D, Motion in Plane, Mechanical Properties of Solids.	70 (3 hrs)	Some Basic Concepts of Chemistry, Redox Reactions, Structure of Atoms, Periodic Properties	70 (3 hrs)	The living world, Plant Kingdom, Biological Classifications, Morphology of Flowering Plants, Anatomy in Flowering Plants, Animal Kingdom, Breathing and exchange of Gases, Body Fluids and Circulation	70 (3 hrs)
	ISC	School Mock	Offline	Units and Measurement, Vector, Motion in 1D, Motion in Plane, Mechanical Properties of Solids.	70 (3 hrs)	Some Basic Concepts of Chemistry, Redox Reactions, Structure of Atoms, Periodic Properties	70 (3 hrs)	The living world, Plant Kingdom, Biological Classifications, Morphology of Flowering Plants, Anatomy in Flowering Plants, Animal Kingdom, Breathing and exchange of Gases, Body Fluids and Circulation	70 (3 hrs)
	WBCHSE	School Mock	Offline	Units and Measurement, Vector, Motion in 1D, Motion in Plane.	35 (1 hrs 15 mins.)	Some Basic Concepts of Chemistry, Structure of Atoms, Periodic Properties, States of Matter, s-Block	35 (1 hrs 15 mins.)	The living world, Plant Kingdom, Biological Classifications, Morphology of Flowering Plants, Anatomy in Flowering Plants, Animal Kingdom	35 (1 hrs 15 mins.)

**Note: For Students of W.B.C.H.S.E, the question paper will be given in both Bengali and English version and the exam pattern will be according to Semester - I (for Class 11) and Semester - III (for Class 12) Examination.**
